

This is our logo.

If the actual printed logo is > 7cm wide

Can you use one of these versions when space is limited?

If the actual printed logo is < 7cm wide

If the actual printed logo is < 2cm height

Colors

Our logo is quite flexible and can be displayed in subtle or bold colors to compliment your layout and artworks...

OR

Feel free to try another color if you think it would look good

This green version is nice

You are free to use colors matching your graphic layout, but it would be great to talk about it first

If you have to use our logo on a real dark or «busy» background...

You can use the «WhiteLogo» version or the «WhiteSquare» one. You can also use rounded corners.

If you have any questions, please do not hesitate to contact us.

Stretch

Rotate

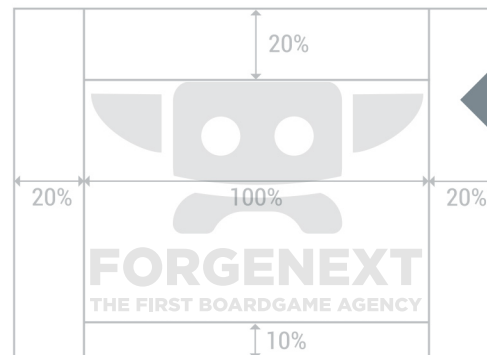

Anvil Only

Text Only

Margins

Our logo is looking better with a little space around it

Fonts

Just in case you want to know...
